

Application submission process in www.jnidesk.com

Admission Process

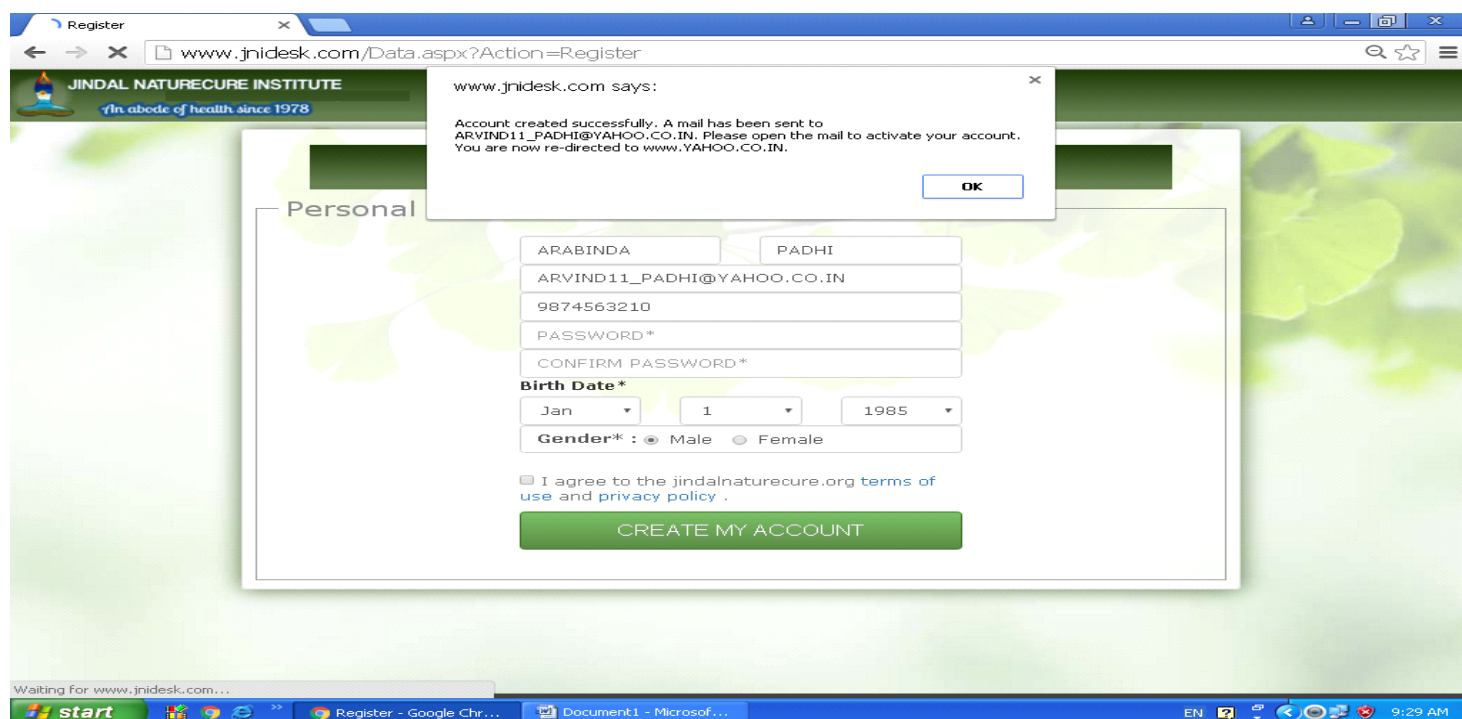

User needs to have a valid login to create profile and apply for admission. If do not have user then please click on “Register Here” to create login.

Step 1: Registration Process

Step2: Fill the form and click on “CREATE MY ACCOUNT” button. You will get “Account created successfully” message.

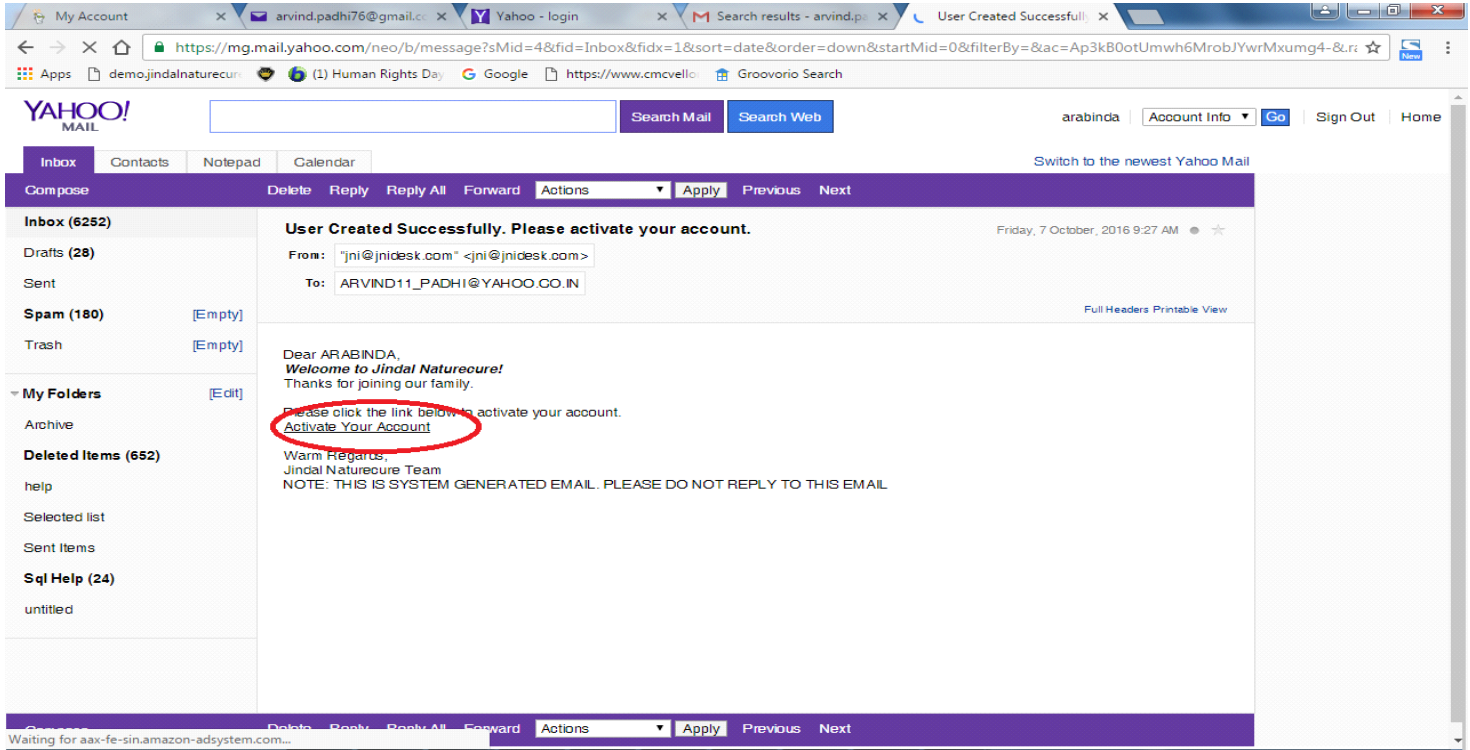

Application submission process in www.jnidesk.com

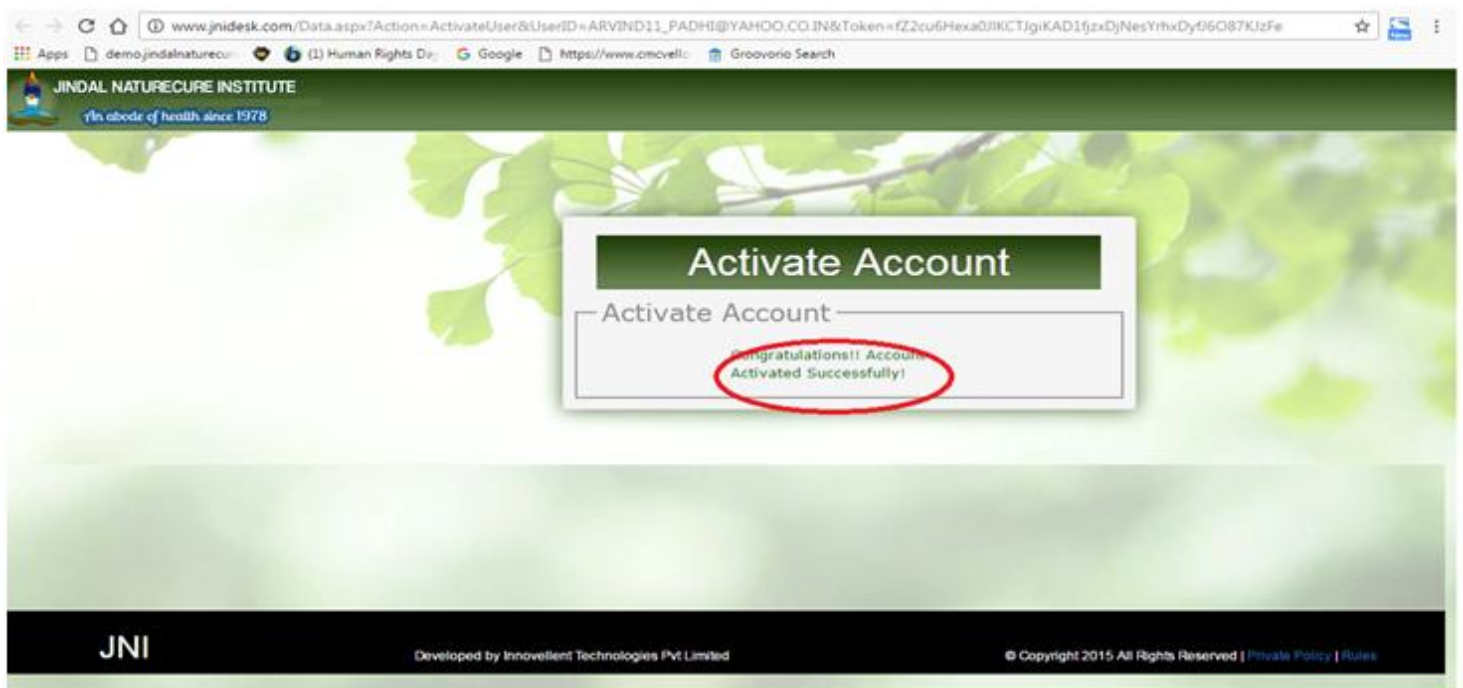

Also an email will be sent to your given email id for activating the account.

Some time it may take few minutes to deliver the email. But please wait and keep on checking your inbox. Once email received then follow step 3.

Step 3: Please click on “Activate your Account” link in your received email, and activate the account.

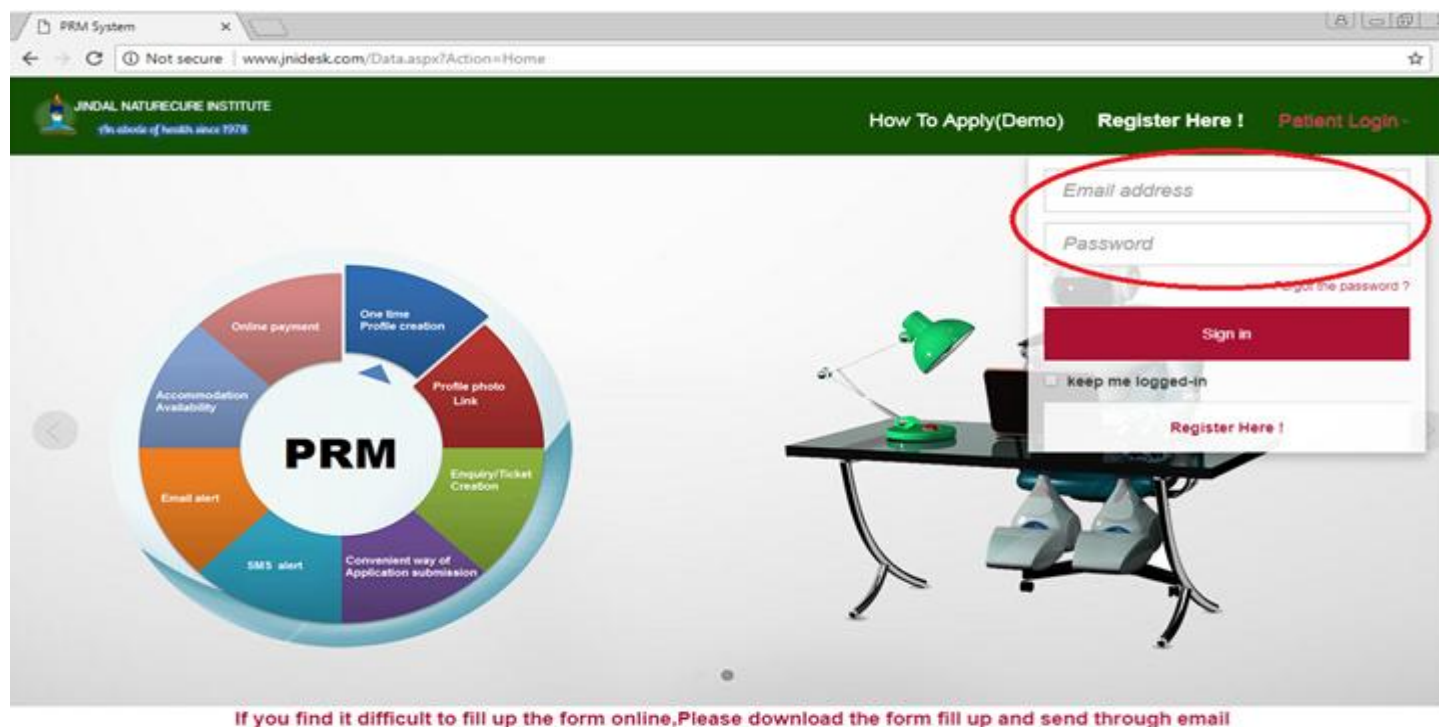

Step 4: When you will click on “Activate your Account” in your email, you will get a screen with “Activated successfully message” .

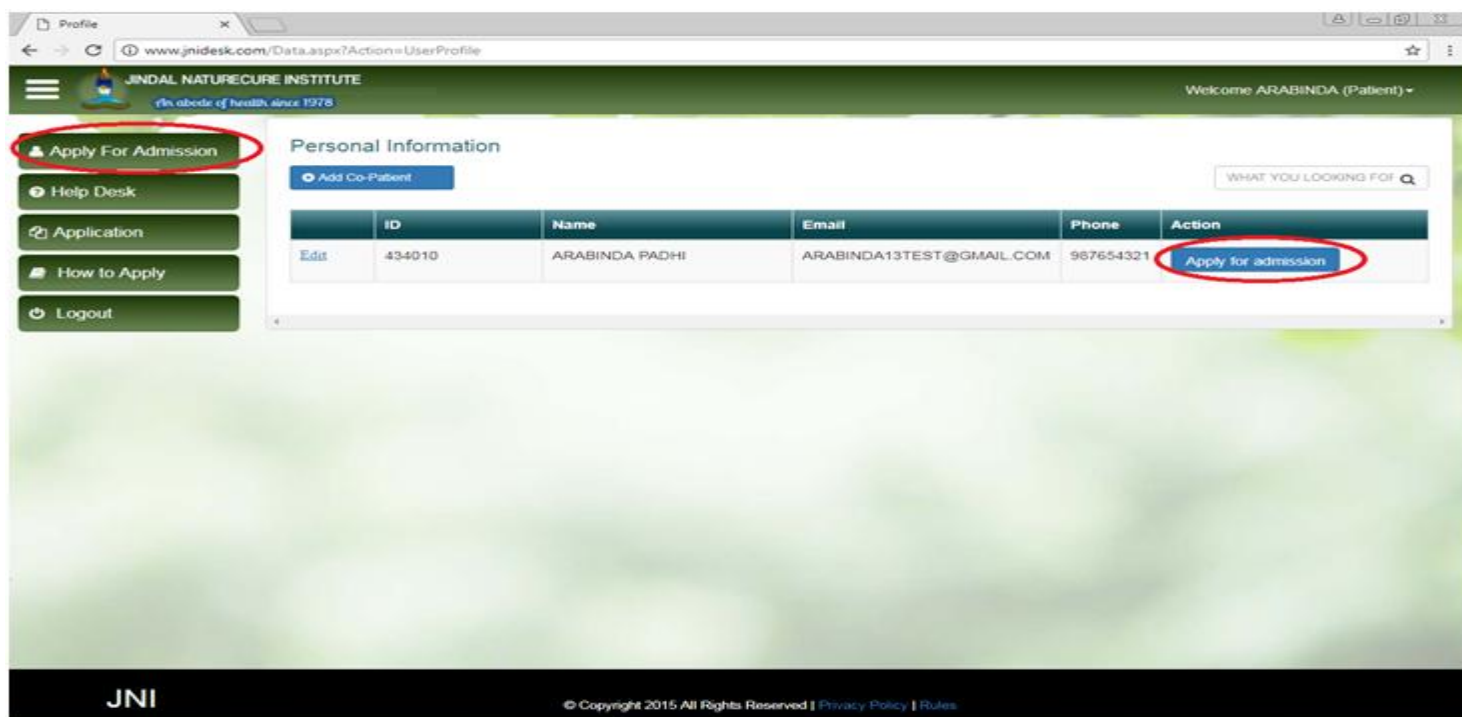

Application submission process in www.jnidesk.com

Step 5: After Activating, log on for applying by your registered account.

Step 6: Please select Apply for Admission menu to get all your created profile and then click on “Apply for admission” under action column.

Application submission process in www.jnidesk.com

Step 7: Please fill your Personal Information Details and click “Next Button”.

The screenshot shows a web browser window with the URL www.jnidesk.com/Data.aspx?Action=AddApplication&ProfileID=434010. The page header for JINDAL NATURECURE INSTITUTE is visible, along with a welcome message for ARABINDA (Patient). A sidebar on the left contains links: Apply For Admission, Help Desk, Application, How to Apply, and Logout. The main content area shows a progress bar with three steps: 1. Create Application (active), 2. Plan Accommodation, and 3. Submit & Pay. Below the progress bar is the 'Personal Information' form. The form contains the following fields and values:
